BURO DESKING SOLUTIONS

Our company was founded in 1994 at Nagpur. In the ensuing 20 years, this venture blossomed into a leading player in the furniture domain and a professionally managed organization in India. Today, we are a single Point facility catering to a wide range of furniture in home, kitchen, office and allied industry segments.

Our manufacturing unit located in Nagpur is lavishly spread across 15 acres of land. It's an integrated manufacturing facility equipped with end to end technology viz. short cycle lamination, panel processing, membrane pressing, press shop, powder coating etc. Backed by cutting-edge European machinery, new age manufacturing processes and a BIFMA complaint test laboratory, we ensure adherence to international norms.

At Spacewood, We also have an in-house design and product development team to add value to our product offerings. Our products are a perfect blend of future proof design, quality raw material and processes, which ensures durable and high quality product.

WE ARE SPACEWOOD:

Spacewood office Solution offers ergonomic and elegant products for office spaces. Our products are designed to create aesthetic and efficient work spaces. Be it, premium or pristine, free or private, sophisticated or simple office spaces, Spacewood Office Solution has a complete spectrum of products for varied requirements.
